Organ or Bag Inventory Deferral Form

Week or Month:

SRC:

For the week/ month (circle) above, the inventory for organ supplies was not able to be completed due to:

- Increased case activity
- Other extenuating circumstances

A visual inventory was completed to identify any emergent needs for re-ordering, and as always all supplies were visually inspected prior to use on a case.

- I have informed my manager about the inability to complete a detailed inventory this week/ month (circle)
